## Belfast's bustling bistro

BELVEDERE Cafe Restaurant is a brand new eatery taken over by a local couple. The café restaurant is situated in the heart of the bustling Cregagh Road in Belfast.

Serving breakfast, lunch and dinner, Belvedere is offering something convenient and a little different to diners from the east of the city and beyond.

The owners pride themselves on serving fabulous home-made food. And what's more, they use produce from local businesses for their delicious dishes, including meat from Ferguson Meats and fruit and vegetables from the Bethany Fruit & Veg market on the Cregagh Road.

The modern bistro has a wide range of dishes to choose from. For breakfast, why not opt for Eggs Benedict or a tasty omelette. For lunch, you have a variety of delicious options such as the soup and sandwich combo or a home-made burger.

And for dinner, you really are spoilt for choice. There's char-grilled 8oz rib eye steak with field mushroom, roast cherry tomato and

hand cut chips, or why not try our popular whole baked trout. Vegetarians are also well catered for with a wide selection of choice including home-made pasta.

The Belvedere has also introduced the 'Thursday and Friday Night Dinner Specials'. Treat yourself to a two-course meal for just £13.95 on a Thursday, or the steak and rib combo on a Friday night.

The restaurant operates a Bring your Own policy with NO corkage charge — perfect for those of us watching the pennies.

Rugby fans will also be delighted to learn that the Belvedere is now offering a pre-match dinner. With its ideal location so close to Ravenhill, only a 10 minute walk, rugby fans can pop in before the game and enjoy lite bite and quick service, which will ensure you get to the match on time.

The Belvedere also has an upstairs dining room which can seat up to 25 people. With conference facilities including a data projector and audio visual system, it's the ideal location for small conference or function.
